## Summary

---

B.Tech student specializing in Artificial Intelligence and Machine Learning at MITS, Gwalior, with strong interest in AI-driven systems and full stack development. Seeking an entry-level opportunity to apply programming and software development skills in real-world projects.

## Education

---

### Bachelor of Technology (B.Tech) – Computer Science Engineering (AIML)

Madhav Institute Of Technology And Science

2023–2027

CGPA: 7.73 / 10

### Class XII (Senior Secondary) — CBSE

2023

Percentage: 67.4%

### Class X (Secondary) — CBSE

2021

Percentage: 65%

## Technical Skills

---

**Languages:** C, C++, Python

**Web:** HTML, CSS, JavaScript, React JS

**Databases:** MySQL, Mongo DB

**Core:** Data Structures, Algorithms, OOPs, DBMS, OS

**Tools:** Git, GitHub, VS Code

## Projects

---

### AI Voice Assistant With Semanti Analysis - Celcius AI

- Developed an AI voice assistant with semantic analysis to accurately understand user intent and deliver context-aware responses using natural language processing techniques.
- Built an AI voice assistant leveraging semantic analysis to interpret user intent and provide accurate, context-aware responses.

### Badminton Tournament Management System

- Designed and implemented a system to manage players, matches, schedules, and results using database-driven CRUD operations.
- Streamlined tournament data handling, improving match tracking accuracy and administrative efficiency.

### The Weather App – SimplyWeather

- Developed a real-time weather application that fetches and displays current conditions using third-party weather APIs.
- Implemented a clean user interface with location-based weather updates and responsive design.

## Certifications

---

Data Structures and Algorithms – Coursera

Python Programming – Infosys Springboard

## College Clubs & Activities

---

### Head, Graphic Designer / Codewar Club – MITS, Gwalior

- Organised technical workshops, coding sessions, and collaborative learning activities.,Desing Poster

### Core team Member, Graphic Designer / Electronics Club – MITS, Gwalior

## Soft Skills

---

Figma, Adobe Photoshop, Canva, UI/UX Design, Visual Design, Creativity, Team Collaboration
